DEAN OF STUDENTS OFFICE
SUPPORTIVE SERVICES TO COMPLEMENT EDUCATIONAL GOALS

RUTGERS
UNIVERSITY | CAMDEN
Academic Integrity
Cheating, Sabotage, Collusion, Improper citation, No citation, Impersonation. Finding your own voice is critical in your growth as a student. Ethical behavior reflects the reputation of yourself, your peers, professors, the university, and the entire academic community.

Campus Living
Ever take out the trash? Mow the lawn? Have a party until the neighbors complained? The Campus Community Coalition Initiative helps students living on and off campus understand how to be a responsible community member and a good neighbor.

Code of Conduct
Rutgers is responsible for providing a safe, inclusive learning environment for all our community members while encouraging lively academic discussions. The Code of Conduct identifies prohibited moral and ethical behaviors including, but not limited to: theft, violence, disorderly conduct, bigotry, and harassment. A full list of additional policies you are required to abide by is available online. “I didn’t know” is not a strong defense if you are charged with a violation.

Early Assistance and Outreach
The early assistance survey helps us help students stay on track for a successful semester. Expect a survey from our office every semester. Students who complete it will be entered in a drawing for a prize.

Interfaith Council
Got religion? Students of all faiths are welcome at Rutgers. As a public university, Rutgers, The State University of New Jersey, is dedicated to supporting an inclusive community, where freedom of religious expression is protected and encouraged. Find more information about our Interfaith Council.

Raptor CARES
Life happens while you are a student. Personal, medical, emotional, financial, family, and other challenges might cause a curve in your path toward your degree. The Raptor CARES (Concern, Assessment, Response, and Education Services) team is here to help when students need it. By filing a report, you can contact DOS if you need assistance or know of a student who does.

SafeZone (LGBTQAI Student Support and Ally Program)
SafeZone is a campus-wide initiative to support an inclusive campus climate for the Rutgers–Camden community. SafeZone provides and promotes a positive, supportive, and affirming environment for the lesbian, gay, bisexual, transgender, questioning, asexual, and intersex (LGBTQAI) community.

Veterans Services
Rutgers–Camden offers a wide range of services for veteran students through its Office of Veterans Services. We can help military veterans transition to a successful college experience and pursue their higher education goals.

Students, faculty, or staff who have concerns about a student should contact the Dean of Students Office first. Together we can help the student find the right help.
